1. About the Allotment of Share without Contribution

Purpose: To enhance shareholder return and increase share liquidity.

Outline : Hirose's treasury stock (about 1.7 million shares) will be allotted without contribution

with the ratio of 0.05 common share per each common share owned by

shareholders listed or recorded in the final registry as of March 31, 2018.

[Effective date: April 1, 2018]

2. About "The Basic Policy for holding and cancellation of treasury stocks"

Purpose: To dispel the concern that the release of treasury stocks in the future

might cause the dilution of stocks.

Outline : The maximum amount of treasury stocks which could be secured has been set

as about 5% of total issued stocks.

At this time, the treasury stock which remains after "the allotment share

without contribution" is conducted will be subject to the cancellation.

(except for 5% of total issued stocks which could be secured as above)

The cancellation of treasury stocks (about 1.5 million shares) will be performed by

the end of June, 2018.
