## Notice regarding Differences in the Non-consolidated Financial Results between the Fiscal Year Ended March 31, 2026 and the Previous Fiscal Year

HIROSE ELECTRIC CO., LTD. (“the Company”) announces that there were differences in the non-consolidated financial results between the fiscal year ended March 2026 (April 1, 2025 to March 31, 2026) and the previous fiscal year.

1. Differences in the non-consolidated financial results between the fiscal year ended March 2026 and the previous fiscal year

(Unit: Millions of yen)

	Net sales	Operating Profit	Ordinary Profit	Net Profit for the year	Basic earnings per share (yen)
Previous Results(A) (FY ended March 2024)	139,528	14,810	21,951	16,739	494.75
Actual Results (B) (FY ended March 2025)	152,297	17,045	40,300	34,449	1,031.04
Change (B-A)	12,769	2,235	18,349	17,710	
Change (%)	9.2	15.1	83.6	105.8	

2. Reasons for the difference

Net sales and operating profit increased as both the business for general industrial machinery and the business related to automotive and mobility markets performed above the previous fiscal year’s results.

In addition, while the Company received dividends only from certain consolidated subsidiaries in the previous fiscal year, it received dividends from a larger number of consolidated subsidiaries in the current fiscal year. As a result, both ordinary profit and net profit for the fiscal year increased.
