

1

Technical drawing of a door assembly in cross-section. The drawing shows the door, frame, and hardware. Dimensions are indicated: (12.7) for the total width, (0.5) for the door thickness, and (9.7) for the frame width.

A detailed cross-sectional view of a multi-pin connector assembly. The assembly features a central housing with multiple pins protruding from the top. The internal structure shows a complex arrangement of pins and contact points. A label 'HRS' is visible on the right side of the housing. The drawing is a technical illustration with fine lines and shading to indicate depth and structure.
